# A Note from the Director

It's really happening - truly happening - almost happening - what is happening?

We have finally come to this year's highly unusual musical production that's been more than 18 months in the making, but we know it will be worth the wait, and the students can't wait for you to see the results of all of their hard work.

This year's production, "The Drowsy Chaperone," may be an unfamiliar title to you now, but it will be unforgettable once you've seen it. Today, you will witness only a two hour show, but as I finish directing my ninth and choreographing my twelfth musical at Elizabeth Forward High School, it is amazing to reflect on how much this production and this program have evolved.

I cannot possibly put into words how grateful I am to the students, staff, administration, and community for their endless support and especially the parents that have devoted countless hours volunteering to make this musical a success. From the first rehearsals in the fall to the final bow on Sunday, this production is only possible with a little - or a lot - of help from everyone.

Even though it is a long and arduous process, seeing these talented students come together to put on this show is nothing short of mesmerizing. It is an honor to be a part of this program, and I have enjoyed working with such a talented cast, crew, and pit as we prepared for the performance of "The Drowsy Chaperone." I hope this has been just as much of a learning and memorable experience for the students as it has been for me.

It is with both joy and sadness that I say goodbye to the seniors that are so near and dear to my heart. It has been a privilege watching you all grow into such intelligent, motivated, and talented young men and women. You are the reason I do this, and you will be missed more than I can express. I hope that you continue to stumble along on life's funny journey.

I welcome you sit back and relax for the moment because soon the rhythm will make them cold feet hot!

Sincerely,  
Mrs. Alana Wieclaw

### **Jennifer Herrington, Vocal Director**

Jennifer Barr Herrington currently teaches 5th and 6th grade chorus at Hillcrest Intermediate School at Norwin School District. Upon graduating from West Virginia University with a bachelor's degree in Music Education and concentration in piano and vocal studies, Jennifer started her career with the McKeesport Area School District in 2003. She served as a long-term substitute for one year teaching elementary music and was also the vocal director for their high school musical, *Annie Get Your Gun*. She then was hired full time for the Kiski Area School District where she taught elementary music and also worked with 6th grade county chorus students for 3 years. After getting married, she was hired by Norwin School District and couldn't be happier. At Norwin, she has taught elementary music, 5th and 6th grade chorus, and 10th-12th grade choir along with show choir, and she hosted the 6th grade Westmoreland County Chorus. She is also the choir director at her home church at Central Highlands Community United Methodist Church in Elizabeth. During her college years, she was a performer at Cedar Point in the summer months. ## **The Show That Never Was**

Due to last year's quarantine restrictions, last year's performance of "The Drowsy Chaperone" had to be repeatedly postponed until we had no choice but to cancel it.

This year, we are thrilled to bring you that performance; however, last year's seniors sadly never got the opportunity to be a part of the show. They left some huge shoes to fill, and the effects of their hard work and creativity can be felt in the final show even now.

We wish all of you the absolute best as you stumble along on life's funny journey! You will be missed but not forgotten.

We are so proud of all of the time and dedication you have put into stage crew over the past four years. It has been such a joy watching the musicals knowing you've had a big part in the great success of each of the shows, from Legally Blonde to Mamma Mia, and now The Drowsy Chaperone. I know this past year has been a little difficult with all of the changes because of COVID-19, but you have faced those challenges with ease. We are very proud of you and all you have accomplished!

Good luck to you and all of the cast and crew!
